Dear [REDACTED]:

Receipt of your letter of 6 August 1953 enclosing first payment vouchers of Contractor on reference project is acknowledged. Unless you are notified to the contrary in short order, the voucher may be assumed to be in acceptable form and payment will be made as promptly as the machinery permits.

On this subject, it is assumed from your having approved payment that quantities have been checked against the Contractor's schedule of estimates, as mentioned in the General Conditions to the Specifications (Para. 1.7). It is requested that a copy of the Schedule be submitted to this Office at your earliest convenience.

Very truly yours,
